Directions to Kentuck Fields adjusted for road work

Take I-59 to Tuscaloosa

Take the second Tuscaloosa Exit which is Exit 71B for Tuscaloosa/359 N/69 N
Stay on this road through downtown Tuscaloosa

After passing University Blvd. you will be on the bridge over the Black Warrior River

At the first light when you're over the bridge, **turn left** onto Park Street
Park Street dead ends at Main Avenue (there is a church right in front of you)

Turn left onto Main Avenue then turn right immediately at the corner of the church onto 10th Street

10th Street dead ends at 30th Avenue

Turn left onto 30th Avenue and follow it a few blocks until it dead ends at 5th Street (there's a stop sign and a convenience store to the left on the opposite side of the street)

Turn right onto 5th Street and you will see the ball park on your left
Turn left into Kentuck Ball Park and we play on the first field to your left

We won't have concessions for the first game but the ballpark will open at 5:30 for their games and concessions will be available then. The players can bring coolers into the dugout but your parents will need to leave their coolers in their car in the parking lot after 5:30.

My cell number is 205-391-8132 (Julie McLaurine) if anyone needs to call that day.
