Colossians 1:18

We have already needed to utilize the SchoolCast alert system this semester for weather related school closures. We are almost certain to need to use SchoolCast again for weather related closures and delays, among other announcements.

We have received responses from parents that some are not receiving the alerts that go out via SchoolCast. In looking at the situations, a majority of the instances are a result of no contact information being entered into the SchoolCast system.

At the beginning of the year, login information was provided for each student's

Art Exhibit

Tabernacle Christian School's Elementary classes will be having an Art Showcase Night on January 31st in our Lunchroom. Grades 01-03 will display their art from 6:00pm-7:00pm, followed by grades 04-06 from 7:00pm-8:00pm. A small reception will be held as well. If you have any questions, please contact Mrs. Tammy Webster at twebster@tabernacle-christian.org.

SchoolCast account. We encourage all parents to take the time to log in and ensure that your most up to date information is included in the SchoolCast system.

If you have confirmed your information is correctly entered into SchoolCast, but you still are not receiving alerts, please contact the Administrator, Mr. Vance McBrayer by calling the school, or you can also reach him directly via email at vmcbrayer@tabernaclechristian.org.

NAEP Assessment

On February 10th, all 8th graders will be participating in the National Assessment of Educational Progress. While the results are anonymous, it does give us a chance to not only give our students early exposure to this form of test taking, but they will also have the opportunity to see how well, in an ever growing digital world, they perform on tests administered via tablets.
