What to Expect

We are so excited to take advantage of this wonderful opportunity to step away from our school campus and into God's creation!

Our mission at Tabernacle Christian School is built upon two pillars, academic rigor and a Biblical worldview, with one purpose - to help students pursue God's calling in their lives. This trip will allow us to focus on the importance of a Biblical worldview, setting a standard and a tone for rest of the year.

In addition to this focus, students will also have the opportunity to participate in many activities including zip lines, archery, archery tag, ga ga ball, human foosball, disc golf, 9 square in the air, swimming and big-ball volleyball. Students will be able to take cell phones with them on the trip, but they will be put away once at camp. They will have a chance to call home and check in with parents in the evening hours. If there is an emergency, parents can call Manderley Camp at (423) 447-2888, or Mr. Ed Brown at (205) 215-6359.

Students will be staying in cabins on the premises. Each cabin is made up of two separate rooms, each holding up to 12 students, and there will be an adult chaperone in each cabin.

There will be no cost for this event as we desire for everyone to be a part! Also, this will be for our 9th-12th grade students. Our 7th-8th will remain here at campus, but will also participate in activities and sessions as opposed to a regular school day.

Please be in prayer for this event! If you have ever gone to camp, or you've had a child who has, you know what an impact an event like this can have on our student body. We are excited to see God work!

What is Expected

Since this is a school trip, students will be expected to follow school policies, including the dress code. For details on the dress code for camp, please see the "After School Dress" section of our Parent-Student Handbook. As guests of Manderley Camp, we will also follow the policies and requests of the camp.

With that said, our expectation is simply that students have a great time of fun and faith. We want students ready to compete against each other in games and activities, and then ready to worship together at our sessions.

Attached you will find a waiver for the school. There is a camp waiver that must be completed online, and we will send out that link in the coming days.

The Camp Speaker for all three sessions is Chad Cronin, Pastor at Providence Fellowship in Madison, Alabama.
